the plot

- The world's largest biochem corporation employs an elite assassin and his team of young computer scientists to wage war on the Amish.

tucker

- overly transparent sociopath/assassin
- a vehicle for simplistic shock comedy
- fascistic leader of the Cyber Purification Agency – Monsanto's covert paramilitary project to destroy the Amish
- an infinitely versatile chameleon

isaac

- amish by birth – lawyer by trade
- the **only** warrior for Amish social justice
- Amish extremist
- liked by no one in the IP
- oblivious to the plot

agent don hawkins

- hot dad
- jethro gibbs with lolipop
- the well-intentioned investigator working for a corrupt institution

drake

- mentor of the hive/in charge of erasing all traces of Amish existence
- recruits millennial compsci majors via his teaching position at a university
- an irrational fixation with assorted computer hardware
